

Boundary Run & Walk Results 2011

Well done and thanks to all participants, helpers and spectators at last Thursday's Boundary Run & Walk. The weather and underfoot conditions were near perfect, with 31 people and two dogs completing the route. Many of the runners set personal best performances, and the winning men's and ladies times were the fastest recorded since 2006. A group of five led the field at halfway but, once Guy knew where he was, he pushed on to win the race with a two-minute lead over Kenneth (running his first Boundary Race), and Martin. Sue was first lady home, ahead of Lucy and Philomena.

In the walk, Simon led from the start and recorded a very good time, as did Richard Chalkley who was second. Angela, Henry, Lorraine, Kerrie, Lawrence and canine friends all completed the Boundary Walk for the first time.

Special congratulations to our two youngest Boundary competitors who not only completed the route but did so in very good times. Piers (12) gave his Dad a good race in the run, while Henry (11) did well in the walk.

Many thanks to the following for all their help in making the evening a success: Uwe and the Bar Staff for serving us much-needed drinks at halfway and at the end; Judy, Lewis, Andy and helpers for running the barbecue; Jan for timekeeping; Kirsty and Jema for being on standby for first aid; Malcolm for strimming a path through the woods; Susanne, Ryan and Dick for route-marking; Martin for doing the presentations; Rec. Soc. for supporting the event.
